5 ergonomic seats

# Pleasure, simplified

LUMI-O's economical **spa-Ô** is very **easy to install**. All you need to do is fill it with water, plug it into a standard **110 volt (15 amps)** power supply and turn on the **automatic filtration system**. The **spa-Ô** is equipped with a **noiseless two-speed 1 HP pump** and an efficient **dedicated heater** so you can enjoy your **spa-Ô** all winter long, even in our rugged Canadian climate.

## Easy access

Getting into the hot tub is easy with **spa-Ô's** built-in **sliding step**, a design patented by Lumi-O. **Four beverage holders** are also provided so you can enjoy your refreshments in the utmost comfort.

## Relax in your spa-Ô...

Spa relaxation is available to everyone with the new **spa-Ô** from Lumi-O! With a unique **84-inch diameter**, **four roomy ergonomic seats** and a **deep rest seat**, the **spa-Ô** is one of the most spacious on the market. Equipped with **12 strong hydrotherapy jets**, the **spa-Ô** has a user friendly digital control for the **LED multicolour light**, **jet speeds**, **mode** and **water temperature settings**.
